

FREE ROAMING **DONKEYS**

Course code: CWEL108

 1 October 2023  [Read on The Donkey Sanctuary website](#)

This course offers insights into the lives of free-roaming donkeys in different parts of the world, including the challenges they face.

Learners will gain insights into the lives of free-roaming donkeys – donkeys that are not owned or kept by humans. It is important for people to know that there are populations of donkeys in the world that live and breed independently of humans.

In addition, the course demonstrates that The Donkey Sanctuary is engaged with (and has expertise in) a wide range of topics relating to donkeys in various contexts all over the world.

Free online course. Open to all. Self-paced.
