**THE DONKEY
SANCTUARY**

Project Title

Brief Abstract (250 words maximum)

One or two paragraphs to summarise project aims, justify the research (why is it needed?) and describe how the project will be conducted.

Introduction / Background (1000 words maximum)

To include a general literature review and specific situational overview.

Justification for Research (750 words maximum)

How will the research result in improvements to equine welfare?

**THE DONKEY
SANCTUARY**

Research Aims / Questions (500 words maximum)

Please present the project aims / questions clearly in bullet point format if possible.

Research Methods (500 words maximum)

To include broad methods and justification. Details of locations and number of study sites / participants if possible.

Outputs (500 words maximum)

Please indicate whether the project will be presented as a report, peer-reviewed paper, academic poster or other format (as agreed with your Donkey Sanctuary and academic supervisors).

**THE DONKEY
SANCTUARY**

Constraints and Limitations

Any assumptions about participation or study site conditions; limitations of methods or timescales, etc.

Timeline and Reporting Schedule

Please outline how long you anticipate the research project will take from approval to submission of the outputs, including approximate completion dates for the following milestones, if possible. Please include a timescale for any interim reports (as agreed with your academic and The Donkey Sanctuary supervisors).

Proposed start date:	
Literature review and planning:	
Fieldwork:	
Analysis:	
Final report:
